Dear Friends and Family,

On March 1, 2009, I will be running in the Los Angeles Marathon in order to raise money for the Edwin Isagholian Memorial Fund. Although it will be a challenge for me to complete this race, I will be especially motivated by the excitement of knowing that it will benefit such a worthy cause.

I am asking friends and family to sponsor me for this event. I have two ambitious goals – first to complete the marathon and more importantly to raise money for my beloved friends' memorial fund. I would greatly appreciate your kind consideration by making a donation toward this goal. All donations are, of course, tax deductible.

As many of you know, this is a personal cause for me. Edwin was one of my dearest friends who I miss greatly. I would like to keep his memory alive in all ways possible. Knowing Edwin, he was always ready to lend a helping hand to those in need of help, and his memorial fund allows Edwin's legacy of giving to continue. Please feel free to visit [www.edwinisagholian.com](http://www.edwinisagholian.com) for more information.

Sincerely,

Nicholas Artinian
